RE: Teva Product Line Changes

Dear Valued Customer:

Please be advised that, effective today, Teva Health Systems has obsoleted the following product. All open orders have been cancelled.

Product Name	Strength	Size	Obsoleted NDC Number
Metoclopramide Injection, USP	5 mg/mL, 10 mg	2 mL	00703-4502-04

For indirect contract pricing, this letter shall serve as your one hundred twenty (120) day deletion notification. Indirect contract pricing will remain active at the wholesalers for an additional one hundred twenty (120) days to allow for sell through of any remaining wholesaler inventory. All direct invoice pricing will be inactivated effective immediately.

These products can continue to be dispensed until their expiration date. If you have any questions, please contact your Customer Service Representative at 800.729.9991.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Guzman".
